Shawnee

a school to BRAGG about

Robert E. Bragg

Principal 1971-1985

The 1986 edition of the Shawnee Blue Jacket is dedicated with love to Mr. Robert Bragg, our first principal. During the fifteen years of Mr. Bragg's administration the ideals, strengths, and pride of Shawnee Middle School have been envisioned, developed, and fostered. We thank Mr. Bragg for his caring leadership and for his dedication to learning and to the development of young minds and spirits. We miss his daily "Good morning, Shawnee", his "Have a good day.", and his ever-present smile and support throughout each school day. Still, we cheer his happiness on his well deserved retirement and wish him the very best. Thank you for making Shawnee a school we can truly "Bragg" about."
